Dear Residents:

We hope that your new year and new decade are going well as we get closer to spring! The Board is springing into action and has approved a number of projects. These include:

1. Developing a nature walking trail in the 54 acres of HOA property behind the pool section.
2. Installing an outdoor shower at the pool for people to rinse off before and after using the pool.
3. Additional xeriscaping plants and rocks for the Trails Entrance to add more visual appeal.
4. Setting up a bulk paper shredding service for Association members.
5. Giving the pool area a near total facelift before the 2020 summer season.

With the Annual Meeting of the Association Members coming up in May 2020, the Board of Directors will hold a town hall meeting on 15 February 2020 to discuss possible amendments to the HOA’s Covenants, Conditions & Restrictions. These documents govern all the rules of our HOA. The annual meeting is the best time for Association members to vote for the changes we feel are necessary to shape our neighborhood into the community that best reflects our values.

The Board will be organizing a town hall meeting in the near future to discuss the upcoming Annual Meeting for the HOA. The Board would like to discuss with homeowners any ideas that they may have regarding a DCC&R vote to amend rules in our HOAs governing documents. The Board feels that giving the homeowner the opportunity to vote on such matters regularly during our Annual Membership Meetings will help to shape our community into one that reflects the thoughts of our community at large.

The Board would like to again thank everyone in the Cove’s section for their patience while the entrance gate has gone through testing and repairs. During this process the Board also hired a new gate maintenance and service company. We are confident that the major changes and upgrades made to the Coves gate area has resolved the root cause of the recurring problems.

Please remember to reach out to the Board of Directors if you have any community concerns at: PreserveHOAboard@yahoo.com

Best Regards,

Board of Directors
The Preserve at Alamo Ranch
Welcome to the Preserve at Alamo Ranch! We hope you will find this neighborhood just as friendly and enjoyable as we have.

Our neighborhood has 449 homes in the fastest growing area of San Antonio – Alamo Ranch, where neighbors enjoy a feeling of familiarity to one another and share a strong sense of community.

Please welcome our new neighbors to the community.

**RECEIVE A VIOLATION NOTICE??**

Don’t Panic!

The purpose of these letters is to keep our community looking great. On a regular basis, our property management company conducts a drive through all three Preserve communities, looking for common area problems and other areas in need of attention.

If you receive a letter from the Association and have questions, need further clarification, or additional time to address the problem, please contact Eva Hecox at DAMC. The Board is happy to work with you, but we must first hear from you. If the problem is not addressed and we have not heard from you, possible fines may be imposed if a second violation is sent.

Monday, February 17th

Presidents Day (or Presidents' Day), is the common name for the federal holiday officially designated as Washington's Birthday. As the first federal holiday to honor an American citizen, the holiday was celebrated on Washington's actual birthday in 1796 (the last full year of his presidency) on February 22.

While the holiday is still officially known as Washington's Birthday, it has become popularly known as "President's Day", honoring both Washington and Lincoln, as well as all the other men who have served as president.

**FEBRUARY IS.... American Heart Month**

Heart disease is the leading cause of death for both American men and women. African American men are especially susceptible. So it’s good news that February is National Heart Month, since it inspires us to examine one of the most pressing health concerns in the United States and to make positive changes to our lifestyles.

February also hosts Valentine’s Day, which is all about affairs of the heart, so it’s a good match.

**How to Observe American Heart Month**

**Get moving!**
It’s never been easier to start exercising. Our digital world is overflowing with all sorts of apps and information to help you find an exercise regimen that works for you — and to stick with it.

**Cook up a tasty, heart-healthy meal.**
There’s plenty of good and healthy recipes out there. Why not whip one up? Maybe a chicken and bean tostada with avocado. Yum!

**Wear red. Go red. Glow red.**
The American Heart Association also encourages people to participate in “National Wear Red Day For Women” on the first Friday in February. According to the AHA, it’s a “massive national public awareness day … urging women, people from all walks of life … to ‘go red’ and ‘glow red’” in bringing attention to heart disease.

BASKETBALL GOALS

We have seen many portable basketball goals in driveways or on streets. When not in use, please remember to put them away, behind your fence and out of street view.

The DCCRS - Article III - Restrictions, 3.7 Swimming Pools, Tennis Courts, Sports Courts, Playscapes and Basketball Goals:

"...Basketball goals in the front or side of any residence are prohibited...".

PARKING ON STREETS

As a reminder, parking on the street is not permitted between the hours of 1:00 a.m. and 6:00 a.m. Vehicles that are parked on the street will be cited by patrol, if there is not a visible parking pass displayed.

PROCESS:

1. The first sighting of the vehicle will render a courtesy notice from the management company and a tag will be left on the vehicle.
2. Upon the second sighting of the vehicle, a fine of $50.00 will be assessed to your account. You will receive notice of this fine, via certified mail.
3. The vehicle will be towed after the third sighting. This will done be at the owner’s expense.

Thank you

The Board would like to once again thank all homeowners who continue to follow our CC&R’s, rules, and regulations. Our property values are maintained as a result of the diligence of each of you.
To ensure that the HOA continues to utilize sound financial practices, the Board of Directors commissioned an independent audit. Lee Edwards CPA, reviewed our financial statements and processes.

The following is a quote from the audit:

In my opinion, the financial statements referred to above present fairly, in all material aspects, the financial position of The Preserve at Alamo Ranch Homeowners Association, as of December 31, 2018, and the results of its operations and its cash flow for the year then ended in conformity with accounting principles generally accepted in the United States of America.” (Lee Edwards CPA)

Some other key comments:

- No knowledge of fraud or suspected fraud
- Board of Directors is collecting funds for future major repairs in conformity with Association’s policies.

Recommendations:

- Periodically update bank account signatories
- Continue to update Reserve Fund Study (completed 2017, updated for 2019 budget, consultant update planned for 2021)

For a copy of the complete Audit Report, please Eva Hecox at eva@damctx.com

APPROVED FY2020 BUDGET:
**Coves Main Entrance Gates**

Since early Fall 2019, the entrance and exit gates have taken a beating. Repair after repair, expense after expense. The Board understood everyone’s frustration. The Board approved a new vendor for gate maintenance as well as installation of new electric components. Gates Services LLC installed a new board for keypad as well as upgraded the panel to operate in cellular rather than dial up on January 24, 2020. We hope everyone is pleased with the services and we look forward to a future relationship with Gate Services LLC.

Also, the Board is currently reviewing proposals to add more landscape lighting to the main entrance of the Coves section. Our goal is to provide more light to the areas in the island, wall between the gates, as well as the monument wall, to improve visibility, aesthetics and appearance.

We hope to complete this project in February.
